

The top half of the cover features a collage of financial data. On the left, a line graph shows a fluctuating trend with values like 75.25 and 75.44. In the center, a bar chart displays several vertical bars of varying heights. On the right, a world map is overlaid with numerical data points such as 65.32, 65.35, 65.14, and 65.17. In the foreground, several coins are scattered across a dark surface, with one coin prominently displaying the value 55.01. The overall color scheme is dark blue and black, with white and light blue highlights.

COMPUTERISED ACCOUNTING

The Book Computerized Accounting explains the concepts, principles and techniques of computerized accounting and its application in practical situations in a simple and lucid language. The primary object of writing this book is to meet the requirements of undergraduate students of commerce stream of all the universities in India especially in the guidelines of NEP – 2020. However, this book will also be helpful for the students of M.Com, MBA, CA and other professional courses. The book is also useful for a layman who is interested in knowing the basics of computerized accounting.

Silent Features

- The book is fully in accordance with the guidelines issued under the National Education Policy – 2020.
- Accounting information system has been discussed at large.
- Along with advantages of accounting with the help of computers, limitations of computerized accounting have been explained to know the limits of functionality.
- Worked out examples with the help of popular accounting software in preparing ledgers and generating reports

About the Authors

Prof. Ehtesham Ahmad is a senior teacher in the department of Commerce, Khwaja Moinuddin Chishti Language University, Lucknow having a long 28 years teaching and administrative experience. After completing his master's degree from University of Allahabad, he started his career from Government Colleges of Uttar Pradesh. Besides having so many national & International conferences and publications in national and international journals to his credit, he has guided six students for the award of Ph.D. degree. Working in Khwaja Moinuddin Chishti Language University since 2013, he has to his credit many academic/administrative positions in the university.

Anubhav Tewari (B. 1974) has a wealth of knowledge and experience of teaching and research in the field of Commerce. Since 2013, he has been employed as an Assistant Professor at the Bora Institute of Management Sciences (which is affiliated with Lucknow University), Uttar Pradesh, India. Accounting, taxation, and finance are some of his areas of expertise within the discipline of pure commerce. After completing M.Com (Pure) from Lucknow University in 1997, he completed M.B.A.(Finance), PGDOM, PGDCA, PGDSM, DFA, B.Ed, M.Phil in Commerce and L.L.B. In addition, he cleared UGC (NET) in commerce with good percentage. Five years teaching experience in the professional course of 'The Institute of Company Secretaries of India- ICSI' has given him a wealth of knowledge and experience. The number of seminars and workshops he has actively participated in exceeds 16, many of them of national and international standing. Since 2015, he has also served as a guest faculty member in the Department of Commerce at the Khwaja Moinuddin Chishti Language University (KMCLU) in Lucknow, Uttar Pradesh.
